It is particularly important to note that this includes making provision for your child to cross the A4155 Henley to Marlow road.  
Parents of all children, but especially those of the Minis, are encouraged to be present at pitch side during training and matches. Unless a specific prior arrangement has been made with the coaching staff, a responsible adult other than the coach must accompany individual players to away matches and tournaments and remain with them throughout the day. Parents should supervise their child's behaviour in the bar area and in the clubhouse in general.  
Parents must properly represent and support the Youth Section in fixtures and in tournaments through appropriate conduct. Encouragement and respect should be shown to the opposing team and to the referee. Inappropriate behaviour may result in suspension or in termination of membership.
15. SAFETY –Football or rugby boots must be worn. Studs should be moulded or removable and must conform to BS6366 1983 or an equivalent standard. A gumshield is essential from U9 squads upwards, and is advised for U7s and U8s. For maximum comfort and safety, a properly fitted shield is recommended.
16. PARKING – Please use the designated parking areas. Do not park or set down on the Marlow road. To do so is illegal, and hazardous both to your child and to others who may be trying to cross.
